

# Commercial / Individual Sponsor Form

Corporations, businesses, even individuals, are encouraged to support this project. Your donation will secure you to a designated size, permanent advertizing panel in the memorial. The content and graphics of your panel can include any information, text, graphic, logo, photo, etc, that you wish to have permanently displayed. (Artwork preferred in "vector" format, optional in high res "Jpeg" format)

Promote your business or company in the memorial. Recognize someone for their service to the Blanchard community. Honor an organization that has played an important part within the City of Blanchard. The opportunities are endless in helping to get the Blanchard Veterans Memorial constructed.

Look at the sample renderings of the various sized panels on the reverse side of this form. Determine what size will best work for your company or personal application. The diagram on the reverse simply shows the relational sizes of each available panel, but does NOT represent a panel's final location in the Sponsor Pillar display. Please complete the form below.
